July 11-15

Session 6
July 18-22

Session 7
July 25-29

Session 8
August 1-5

Session 9
August 8-12

The Riding School offers campers of all ages to dive into the Horseman's world. Learn about horse care, horse logic, stable management, horse riding skills, all while making friends who share a passion for horses. The Riding School offers an opportunity for campers to mature, try new challenges, learn personal responsibility, and build confidence in themselves.

General Camp Program

Learning Goals For Every Horseman

Tack & Grooming

Safely Bond With The Horse

- Learn why horses get specific types of tack
- How to properly and safely put on tack
- Discover the purposes of grooming tools
- Kind ways to groom and proper ways to clean a horse's hoof

Stable Management

Leadership Through Horse Care

- Care for and properly store horse tack and equipment
- Maintain a safe and clean environment
- Learn how to keep stable operations flowing smoothly

Horse Diet

Learn About Horse Nutrition

- How to feed a horse,
- Nutritional needs
- Understanding horse health
- How to increase the quality and length of a horse's life
- How each individual horse is treated as an individual.

Achieve Personal Goals

Become A Better Horseman

Each student is invited to share

- What they are passionate about learning
- What are their learning goals

Riding Skills

Safe & Fun Riding Skills

- Advance riding skills
- Learn new techniques
- Students will ride together
- Groups separated by level
- All campers will ride

Building Character & Community

Gain Independence While Helping Yourself and Others

- All camps encourage students to take on independent learning opportunities to help the horses, themselves, and others.
- Campers will be able to help younger campers.
- Young campers will be encouraged to try new activities that help them mature and grow.

\$400 Per Student Per Session
